What does every PerfectPro come with?

Versatile and multifunctional, all PerfectPro radios boast Hi-Fi sound quality, ruggedised features, and wireless and wired connectivity.

✓ WATERPROOF, DUSTPROOF AND SHOCKPROOF

Carrying high IP certification, our radios are built to perform in harsh work environments.

FM RADIO

LONG-PLAYER RECHARGEABLE

✓ BLUETOOTH

Every radio also doubles as a Bluetooth speaker.

✓ INTEGRATED CHARGER

Every radio comes with a charger and (optional) battery pack for wireless operation.

✓ TREBLE & BASS

Volume and tone controls for dialling in a richer bass sound or adjusting the sound volume to suit any indoor or outdoor work environment.

✓ AUX IN

All you need is a basic audio cable to connect any device with a headphone jack and play it on your radio.

✓ DAB+ AND FM

All PerfectPro radios feature DAB+ and FM Radio.

✓ IMPACT-RESISTANT ABS PLASTIC COVER

Strong enough to take a beating from a hammer without breaking.

These radios have a integrated **lithium** battery

- ✓ The integrated lithium battery has what it takes to satisfy the demanding wireless needs of our radios.
- ✓ All you need is to charge it with the radio's power cable, and it's set to go.

ROCKHART

These radios come with a built-in **NiMH** battery charger

- ✓ The optional NiMH battery is the most powerful universal battery on the market, with enough juice to keep the radio's demanding wireless needs satisfied for the entire workday.
- ✓ If the radio is going to run on mains power, choose a lower priced radio without a battery pack.

Many radios also double as a **USB** player

- ✓ Download your favourite playlists to a USB stick and play them directly on your radio.
- ✓ This means no fiddling around with phones or other devices when you simply want to listen to your favourite playlists.

USB

Radio
pairing

The first with **Radio Pairing**

- ✓ Listen to DAB+ radio in stereo by pairing two radios.

Stereo
pairing

New: **Stereo Pairing**

- ✓ Pair two radios and listen in stereo by streaming audio through your phone.

These are the first **Wi-Fi** jobsite radios on the market

- ✓ Guaranteed radio reception if there is a WiFi hotspot.
- ✓ Receive world radio.

CAUTION!

The XL class is a league of
its own – not for beginners.

Taking these monsters to any project is
totally not appreciated by any customer,
neighbour or supervisor and may lead to
serious conflicts.
